Please Note:

- Modular Qualifications are charged per unit. The table above indicates how many units are required per qualification. The number of units required in the second year (i.e. Y11 or Y13) assume that the pupil has already sat and passed the required units in the first year.
- Linear Qualifications are charged as a single price, with all exams at the end of the course.
- Prices may vary slightly depending on the GBP/AED exchange rate.
- Cost may vary if the board or qualification changes.
- Exam boards usually increase their charges by a nominal amount on an annual basis.
- Board charge significant penalty fees of double or triple fees for any late amendments, withdrawals or entries beyond their published deadlines.
- Board fees for Reviews of Marking (appeals) vary by subject but are usually in the region of 300aed per paper.
